Dynamic UI/UX designer skilled in user-centric design, prototyping, and interface development. Seeking opportunities to contribute expertise in creating engaging digital experiences for enhanced user satisfaction and business success.

Experience

MS IT Park Pvt Ltd, Junior UI/UX Designer — **Coimbatore • Sep 2024 - Apr 2026**

- Designed intuitive and user-centric interfaces for web applications, focusing on usability and seamless user experience.
- Created wireframes, user flows, and high-fidelity prototypes using Figma.
- Conducted user research and translated insights into effective design solutions.
- Improved user experience by optimizing navigation, layouts, and interaction design.

Nutz Technovation Pvt Ltd, Internship as UI/UX Designer — **Erode • May 2024 - Aug 2024**

- Assisted in designing user-friendly interfaces for web and mobile applications with a focus on usability and clean design.
- Participated in real-time projects, contributing to UI enhancements and feature improvements.
- Gained hands-on experience in end-to-end design process from concept to delivery.

Projects
